MEMORANDUM FOR:

CIA Librarian

SUBJECT:

Request for Reproduction of
a Research Report

1. The External Research Staff, Department of State is building up a library of the end products of the research projects reported in its quarterly inventories of Government-sponsored research. It would like to have two copies of each report for permanent retention where possible.

2. One of the research reports we would like to provide ERS is an OSI report entitled "Recent Developments in Science and Technology in Communist China." [REDACTED]

[REDACTED] tells me that the only available copy is in the OCD Library for file and "undoubtedly can be reproduced within a short time".
